

HILLSBOROUGH HPOA POOL RULES

1. Normal pool hours are 10:00 a.m. to 8:30 p.m., Tuesday through Saturday; and 1:00 p.m. to 8:30 p.m. on Sunday. The pool is closed on Monday for maintenance and private parties. If Monday is a legal holiday, the pool will remain open and close the following day. The pool will close in the event of heavy rain or threatening thunder and lightning and reopen one hour after the inclement weather has ended. The pool will also close at 5:30 p.m. on the day of a hosted swim meet. The swim team schedule will be posted at the beginning of the season.
2. Only pool members and their guests may use the pool and pool area. Members must always accompany their guests. Guest fees must be paid before entering the pool. ***Members may not bring Hillsborough area residents who are not pool members as their guest.*** No more than four guests per member family.
3. **The lifeguard has the full authority of the HPOA Board to regulate and supervise all aspects of the pool and pool facilities.** Misconduct, unsafe behavior, abusive or profane language, disrespect of lifeguards, public displays of affection and unruly or abusive behavior will not be tolerated. The lifeguard may restrict any member's pool privileges for up to two days for any infraction of pool rules or failure to respectfully obey any lifeguard instruction. The pool manager can impose pool restrictions longer than two days. If a member disagrees with a lifeguard's decision, the member may appeal to the pool manager after having fully complied with the disputed lifeguard decision.
4. **All children who are not fully "potty trained" must wear snug fitting "swimmies" or other similar leak proof diaper coverings at all times.** If an "accident" occurs, we are required to close the pool for up to 24 hours for thorough cleaning of the water. Please respect the rights of all members and make sure that your child does not have a "potty accident" in the water. Likewise, if your child is feeling ill, please do not bring or allow them to come to the pool until they are fully recovered.
5. **Children seven years of age and under must be accompanied and supervised at all times by an adult.** Children ages eight through eleven may swim without an adult after they have taken and passed the "competent swimmer" test to be administered by the lifeguard. Otherwise, they too must be accompanied at all times by an adult. Children ages six and older are not allowed in the baby pool.
6. Help keep the pool water clean. A shower is recommended before entering the pool.
7. **No alcoholic beverages, tobacco products or gum allowed on the pool premises** including the pool parking lot and areas adjacent to the pool. Food and drinks are allowed in designated areas only.
8. Items not allowed inside the pool area include the following: glassware, pets, rocks, hard balls, Frisbees, skates, skateboards, bikes, large flotation tubes and rafts, weapons, or any other hazardous objects.
9. Proper attire designed and sold as swim wear is required, for example, no cut-offs.
10. **Each member and guest must sign in with the lifeguard immediately upon entering the pool area.** An updated membership list will be maintained at all times by the lifeguards.
